	Walking and Cycling	km	Walking Time	Cycling Time	Description
1	Ballinamore Loop	4.4	1:00	0:20	A great one for kids, this easy-going looped walking trail starts and finishes in the busy town of Ballinamore. There are a couple of road crossings and a canal crossing at the Ardrum Lock, but otherwise you'll mostly be beside tranquil waters where traffic is a distant memory. The looped trail starts and finishes at the Ballinamore Marina.
